Meet Our Staff

David Valverde
Assistant Headmaster

It is my privilege to serve on the founding team of Great Hearts Arlington. My educational journey comes with four years of teaching and eight years of administration experience in independent and public schools both in the classical and college preparatory model. I enjoy spending time with family and friends, the outdoors, sports, and fitness. I look forward to meeting your students and partnering with you on the whole child education and formation of your scholar at Great Hearts Arlington.

Katie Jarvis
Student Information
Specialist/Registrar

I am the new Student Information Specialist / Registrar for Great Hearts Arlington. I graduated from the University of Phoenix, with a bachelor's degree in Psychology in 2018. My previous role was in sales, customer relations and data management, which I believe has prepared me for my current position. My fiancé, daughter, son and four dogs keep me busy, however, in my free time I enjoy cooking for my family, creating healthy recipes, decorating, and I recently taught myself to crochet. My fiancé and I love to take on DIY home projects, traveling and working in our garden/greenhouse. I am excited to join the Great Heart's family and look forward to taking on this new chapter in my career.

Great Hearts Advocacy Corner

- The Texas Legislature will begin committee hearings in the coming weeks. It is crucial that we charter parents follow legislation that could impact our schools. Please sign up for parent advocacy updates through the Texas Public Charter School Association at the following link: <https://txcharterschools.org/join-tpcsas-team-of-advocates/>
- Did you know some people don't want families to have school choice? They oppose charters, and they flex their political muscle. Let's show our political representatives that we charter parents stand for school choice and quality education by signing TPCSA's online petition [here](#) Stand strong for charters schools, and SHARE, SHARE, SHARE this petition with friends, family, and neighbors.
