Meet Our Staff

Annette Johnson
School Nurse

Annette Johnson comes to us with more than 30 years of nursing experience. She has worked in a variety of hospital settings, including helping launch Presbyterian Hospital of Plano as the Director of Surgical Services. Nurse Johnson has a demonstrated history of working both in hospital and health care industries. She is a highly skilled nurse who brings a lifetime of experience and expertise to our school clinic.

This will be Nurse Johnson's third year with Great Hearts, having previously served as school nurse for Great Hearts Irving Lower School. Her primary focus is to help the students of Great Hearts Arlington remain healthy, in order for them to maximize their time in school and continue growing and learning. Her favorite part of the classical education model is the focus on loving what is good, true, and beautiful. Nurse Johnson holds a Bachelor of Nursing from the University of Michigan, an MBA from Texas Woman's University, and is an enthusiastic fan of yoga—she recently attended her 3500th yoga class!

Celisa Ibarra
Receptionist

My name is Celisa Ibarra, I am the new receptionist. I am beyond excited to join the Great Hearts Arlington team. I have previous experience in sales and customer service. I enjoy spending time with my kids in my free time and having family fun. I have experience from a parental perspective in a charter school with my oldest son. I can not wait to see what the next few months hold in preparation for the first day of the 21-22 school year.

- Stay tuned for any call to action alerts from the Texas Public Charter School Association regarding pending bills in the Texas House and Senate that would prohibit cities and municipalities from discriminating against charter schools. These call to action items might include submitting online comments in support of these bills.
- The Texas Legislature has begun their weekly committee hearings. It is crucial that we charter parents follow legislation that could impact our schools. Please sign up for parent advocacy updates through the Texas Public Charter School Association at the following link:
